

Mums Raising Boys

Up to the age of 12 years

Boys typically go through three broad stages of development and each stage has unique joys and challenges for mums. As your son's primary female role model, you play a vital part in developing his identity, including his ability to be nurturing. This session shows you how to develop a strong and healthy relationship with your son.

This interactive workshop will explore:

- The stages of boyhood and how to guide him through each stage
- How to assist your son learn and practice how to be in the world
- The unique bond you have with your son and how to strengthen it.
